FOR IMMEDIATE RELEASE

AFFINITY HEALTH GROUP FEATURED BY QUALITY INSIGHTS
Performance Analytics Management Team Implement Quality Payment Program

Monroe, LA - Recently, Kristi Jones, RN, CPHQ, was interviewed by Quality Insights about the partnership with the organization to improve Affinity's Quality Payment Program. Kristi is the Performance Analytics Management Supervisor with Affinity Health Group. Affinity Health Group is a wholly-owned subsidiary of Vantage Health Plan based out of Monroe and consists of over 25 clinics in the north Louisiana region. Of these, 19 clinics have received National Committee for Quality Assurance (NCQA) recognitions, including ten Patient Centered Medical Homes, seven Level 3 Patient Centered Specialty Practice, and two Patient Centered Connected Care.

The Quality Payment Program measures overall patient care by offering incentives for performance categories in quality, cost, advancing care information, and clinical practice improvement activities.
