WE CANNOT MAIL THE FOLLOWING: Controlled substances (strong pain medications such as Oxycodone and anxiety medications such as Xanax), Nitroglycerin SL tablets, or liquids (with the exception of insulin pens and vials, eye drops, and inhaled nebulization treatments). Please note: due to its sensitivity to excessive heat, there may be times when we will notify you that insulin pens and vials cannot be shipped and must be obtained from a local retail pharmacy.

*Medications on this list are subject to modification or discontinuation at any time without notice. **Please visit myaffinitypharmacy.com/forms to view a complete and updated list.** Prior Authorization and Quantity Limits are applicable for some medications. This list is current as of January 1, 2021. This benefit is administered by Saint John Pharmacy and may not be available for all members. Access varies by state.

SIGN UP TODAY!

The Prescription Order Form is available on our website listed above. Fax or mail your completed Prescription Order Form to Saint John Pharmacy to have your prescriptions delivered right to your home. You can also call Saint John Pharmacy at **(888) 316-4354** with your prescription information to transfer your medications. Shipping is free for Vantage Members. Please allow 48 hours to transfer and process the prescription(s) and an additional 3-5 days for the U.S. Postal Service to deliver.
